

## Why We're Here

For parents caring for a child with a life-threatening condition, claims filed for health care costs range from \$400,000 - \$600,000 per year. And for many of these children and their families, support far beyond medical care is critical to their emotional needs and health outcomes.

**That's where A Kid Again can help.** A Kid Again provides much-needed relief for the entire family through participation in our program – at no cost. *We will never charge a family to be part of A Kid Again.*

A WORLD OF  
**WONDER-FULL**  
AWAITS!

Whether you're a child or family seeking to be part of our Adventures, a passionate volunteer, or a donor with the desire to make a difference in your community, we want to hear from you!

# We help kids BE A KID AGAIN

Being a kid means waking up to endless possibilities and the anticipation of all the adventures that await outside your door. It's about being carefree and silly. But when your child gets sick, childhood itself just stops. Suddenly, life as you know it goes away. Daily doctor's office visits become the new normal and life changes from a mission of fun, into a battle to be won.

**This is the very reason A Kid Again was created.**

**A Kid Again provides consistent, cost-free, year-round Adventures for children with life-threatening conditions, and their families, to remember what it was to live carefree.**

**These Adventures are so fun, we plan our calendars around them! We don't want to miss out!**

**– Sheri G., mom and AKA member**

Every year, more than 27,000 children in the U.S. are diagnosed with a life-threatening condition. With the help of volunteers and donors, A Kid Again is here to help these children and their families reclaim innocence and recapture moments of pure joy.

## For Our Families

We exist for the moments of laughter, the smile on your child's face, and the memories for your whole family, created in place of pain. Your world is different now, and we know what lies ahead can feel daunting.

**But you are not alone.**

A Kid Again is here for your child, for your family, and we are here for you. Our purpose is to bring you hope, healing, and connection with others going through the same war.

**We offer recreational, therapeutic relief through a variety of dynamic family activities and experiences that help stabilize and support families dealing with life-threatening health issues – at no cost to you.**

## Volunteers

A Kid Again volunteers are the heart of this organization. Our volunteers put smiles on the faces of children dealing with a life-threatening condition and help families create joyful memories. They are determined to make a difference in their community. Volunteer opportunities with A Kid Again include bookkeeping, administrative support, event planning, event staffing, holding

fundraisers, hospital visitation, or serving as a new family mentor or family buddy.

## Become a Sponsor

Help us give illness a time out and become an A Kid Again Sponsor. Your sponsorship for A Kid Again can be as unique as you choose. Typically, our supporters sponsor a child, a family or an Adventure.

**Consider this: What is the last thing your company spent \$385 on?**

**Was it lunch for your team? An order of new office supplies? For that same amount, your company can sponsor an A Kid Again child and provide them with a full year of Adventures.**

## How to Make a Donation

A Kid Again's mission is to foster hope, happiness and healing for families facing this financial strain by providing year-round, cost-free, group activities designed to take their minds off their daily challenges while creating happy memories. Your donations make their Adventures possible. **To donate, visit [akidagain.org/donate](http://akidagain.org/donate)** to make a one-time or monthly recurring gift.

Did you know that a \$35 donation would provide an Adventure for one child in need?
