

# NEWS & ANNOUNCEMENTS

Dear A Kid Again family,

As news around the impact of COVID-19 (Coronavirus) continues to evolve, we have decided that it is in the best interest of our kids, families, volunteers, and staff to postpone all events and Adventures for the month of March and April. We are working with our venue partners on alternate dates for Adventures and will announce those as soon as we can.

In addition to postponing events, A Kid Again is implementing the following:

- We will limit all in-person meetings, including board, volunteer and committee meetings. In lieu, we will conduct meetings via conference call or videoconference.
- We have asked any employee who travels to/from a high-risk area to self-quarantine for 14 days (work from home). If she/he may have been exposed, they must visit with their healthcare provider, be tested and provide a note to return to work.
- We will limit volunteer engagement and follow CDC and Department of Health guidelines, including asking that they disclose any travel or beliefs of exposure, self-quarantine and avoid contact with AKA families/staff.

Assuring the health and safety of our A Kid Again families, staff and volunteers is of the utmost importance to us. We want you to know that we recognize the seriousness of the situation.

We will provide any additional updates via our social media channels and encourage families and volunteers to visit frequently for our most up to date information.

Please let me know if you have any questions or concerns.

Sincerely,

Oyauma Garrison  
President & CEO
