

Covid-19 Update

A Kid Again recognizes the important role we play in keeping our families, volunteers, donors, and staff safe. We are committed to ensuring we are doing our part to reduce the spread of COVID-19 and keep our communities healthy.

Due to the significant impact the Omicron variant is having on our communities, our A Kid Again staff is reviewing the schedule of upcoming Adventures.

After consulting with our National Medical Advisory Committee, reviewing CDC, federal, state, and local guidelines, the following is effective immediately and will remain in effect until March 12, 2022, at which time we will reevaluate and provide an update.

*(This notice supersedes all previous notices)

Applies to Everyone – Families, Volunteers, Staff, Donors

We will REQUIRE the following:

- **Indoor Adventures**, fundraisers and activities will be limited (where possible, exclusive for only our program participants).
 - Masks will be required for ALL indoor activities AND must be worn at all times (when not otherwise eating or drinking) during indoor A Kid Again Adventures and events.
 - Vaccination or a negative test result, received no greater than 48 hours before the activity, is required to participate in any AKA exclusive Adventures. An at-home test is acceptable when administered appropriately. When an Adventure or event is at a venue that is open to the public, vaccination and/or testing are not required by A Kid Again.
- **Outdoor Adventures**, fundraisers and activities will require the following:
 - During outdoor events, masks should be worn when waiting in lines or when individuals are not able to maintain 6-feet social distance. If your child's medical condition does not allow them to wear a mask, we understand. Please do your best to maintain safe social distancing to keep your child and others safe.
- Guidance will be provided by the A Kid Again staff and volunteers in advance of and during all activities.
- All Adventures, fundraisers, or gatherings on behalf of A Kid Again will require a signed waiver and acknowledgment of risk form before participation - at each activity.
- For both vaccinated and unvaccinated individuals, if you have been exposed to a COVID-19 (positive) person within the past 10 days, please do not attend in-person events. If you have any COVID-19 symptoms (e.g., sore throat, congestion, cough, fatigue, loss of smell, and especially fever) do not attend in-person events.

A Kid Again will continue to monitor information related to the pandemic keeping the health and safety of those we serve at the forefront. If you have any questions, please contact your chapter or customerservice@akidagain.org.

**Please note: Some local municipalities and/or venues may require a vaccination card and/or mask before entering the premises. We will do our best to advise of any such requirements in advance.
