

# Why We're Here

For parents caring for a child with a life-threatening condition, claims filed for health care costs range from \$400,000-\$600,000 per year. And for many of these children and their families, support far beyond medical care is critical to their emotional needs and health outcomes.

That's where A Kid Again can help. A Kid Again provides much-needed relief for the entire family through participation in our program – at no cost. We will never charge a family to be part of A Kid Again.

**A Kid Again.**  
Giving illness a time out

Whether you're a child or family seeking to be part of our Adventures, a passionate volunteer, or a donor with the desire to make a difference in your community, we want to hear from you!

## Our Impact

- 90%** of families said AKA Adventures have strengthened their family during difficult times
- 94%** of families had an experience that was not otherwise possible
- 97%** of kids had a unique experience and a chance to feel special
- 85%** of our families reported enhanced feelings of hope
- 90%** of kids said they feel greater acceptance by others and fear the public eye less

## Who We Are

Every year, more than 27,000 children in the U.S. are diagnosed with a life-threatening condition.

With the help of volunteers and donors, A Kid Again is here to help these children and their families recapture moments of pure joy and make memories together as a family!

**A Kid Again provides consistent, cost-free, year-round Adventures for children with life-threatening conditions, and their families.**

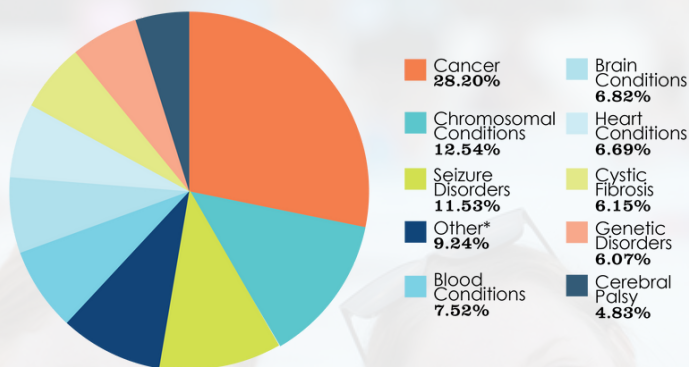

## What We Do

A Kid Again serves children under the age of 20 years who are qualified by a medical physician as having a life-threatening condition and their entire immediate family.

We provide family support, peer-to-peer connections and other resources to help families cope with the extended effects of life-threatening conditions.

***And 90% of our families have shared that A Kid Again Adventures have strengthened their family during difficult times AND that their kids feel a greater acceptance by others and fear the public eye less.***

## The Children We Serve

\*Includes gastrointestinal conditions, lung conditions, kidney conditions, and juvenile idiopathic arthritis.

## What's an Adventure?

When you join A Kid Again, you can experience Adventure no matter what state you live in! Adventures might look a little different in some areas as we continue to grow but Adventure never stops!

What's an Adventure? It's a cost-free, carefree invitation for families to gather and create exciting memories together.

Families in some states will experience Adventure through our Adventures in a Box program. An Adventure in a Box includes fun, mini-Adventures for the entire family. Others will experience in-person Adventures at places like the zoo, sporting events and amusement parks.

## Get Involved

Whether you'd like to donate, volunteer as an Adventure Guide, sponsor an Adventure, or refer a family, there's so many ways you can get involved with A Kid Again!

***Your contributions make Adventures possible.***
