

## AUGUST 5 - FOUR BRIDGES COUNTRY CLUB

Dear Friend,

Families raising a child with a life-threatening medical condition deal with more than uncertainty. They struggle with depression, social isolation, medical debt, work disruption, high stress, and long periods of family separation.

**You can help brighten their days and boost their well-being – and have some fun of your own.**

By joining our annual golf outing, you can help provide A Kid Again Adventures to families in Southwest Ohio. Adventures allow these families to set aside their worries, connect with other families facing similar situations, and just have fun together creating last memories!

I hope you will consider joining us. Your participation helps make smiles possible for families that need them the most.

### What is an A Kid Again Adventure?

Our Adventures are cost-free events held year round for the entire family at kid-desired destinations, such as Cincinnati Zoo, Kings Island, and Newport Aquarium.

Our program focuses on the whole family because while the child who is ill is most impacted by the condition, it affects everyone. Parents and siblings also feel the pressures of hospital stays, doctor visits, and time apart.
